

## Summer in the City

### GENERAL CAMP INFORMATION

#### How flexible is the camp schedule?

Summer in the City Kids' Club Camp at the Downtown Athletic Club offers daily or full-week options. If you aren't sure of your summer schedule, registration is open throughout the summer!

#### How active will my child be?

We believe that teaching kids to move their bodies and stay active at a young age in a fun and focused way will help them to become healthier adults. Kids will enjoy swimming and a variety of games both indoors and outdoors.

#### What is the staff to child ratio?

Our staff to camper ratio is 1/10, so not only can you count on a safe environment for your children, but more individualized attention as well.

#### What ages attend DAC Kids Club Camp?

Due to the active nature of our camps, children should be between ages 6 and 12. However, 5 year olds who have completed kindergarten are welcome. When registering a 5 year old, please provide a copy of their last kindergarten report card.

#### What should my child bring?

Campers should bring a lunch, swimsuit, water bottle, sunscreen, hat and a backpack. All items should be clearly marked with your child's name. Play clothes and non-marking gym shoes (no sandals) are recommended. Please keep toys, Gameboys, collectibles and iPods at home. Snacks will be provided by the DAC.

#### What will my child do at camp?

Our youth staff is here to make sure your child has a memorable experience! Campers will swim, go on park excursions, assemble fun crafts, play games, visit the library and participate in field trips.
