Happy Holidays!

Director's Corner

Dear Parents,

We hope that everyone had a wonderful holiday season and now we are looking forward to the start of a great new year with you and your children! Our staff is excited to start out the New Year with our January conferences. The Pre-school and Pre-K classrooms will have a sign up calendar posted on January 2. Conferences will be scheduled for 20 minutes. In preparation, we have been reviewing all students' classroom performance and social skills. Please be thinking about any questions or concerns in advance of our meeting. Once you have scheduled your conference, please contact your child's teacher if anything comes up that requires you to reschedule.

Our food drive was a huge success. Newberry staff and families collected more than 180 lbs of groceries in November & December for Food for Lane County. Thank you so much for your generous contributions.

The Pre-K and Preschool will continue to use the concept of Reduce, Reuse and Recycle in our lesson plans. The staff would like to thank all our parents who donate their reusable household items for our classroom projects. It is a wonderful way to teach our children the value of the many ways everyday items can be reused.

Have a wonderful 2012,
Ms. Diana
