

# Reservations

Reservations can be made by calling 484-4011 x235, or by stopping by Kidstop during hours of operation. In addition to the date, day and time, you will be asked to provide your child's first name, his/her age and your DAC member number. When making reservations, please take into consideration the following policies:

- ❑ Kidstop reservations may be booked up to two days in advance, and are taken on a first come, first serve basis.
- ❑ To maintain the quality of care, we have strict ratios. Infant and toddler spots fill faster than those for older children.
- ❑ Reservations booked less than two hours in advance will be assessed a drop-in fee.
- ❑ Drop-ins are accommodated if space is available. However, we do reserve the right to turn away children without reservations.
- ❑ If you need to cancel a reservation, please do so at least 1 hour in advance to avoid being charged a no show fee.
- ❑ Please observe your drop-off and pick-up times to avoid additional fees.

## KIDSTOP

*The Downtown Athletic Club's "Childcare While You Workout" Center*

# Welcome!

Welcome to Kidstop, the Downtown Athletic Club's "childcare while you workout" center. Designed to be a convenient childcare option for DAC members, Kidstop's warm and loving staff welcomes you and your family. Kidstop is available for children between the ages of six weeks and 12 years old. Exceptions may be made for older children.

Kidstop appointments are by reservation, although drop-in care, at the discretion of Kidstop staff, is occasionally accepted. Due to staff/child ratio regulations, reservations are strongly encouraged. When Kidstop is full we must turn away drop-ins. Reservations must be made at least 2 hours in advance. Parents must remain on the premises while their children are checked into Kidstop.\*

In addition to caring for your child's basic needs, we provide a positive and caring environment where exploration can occur in a safe and educational manner under the supervision of our qualified Kidstop staff. Please keep in mind that the Kidstop accommodates all different ages, and activities exist for all age groups.

**\*Parents may go out for a walk or run while their children are in Kidstop but they must carry a cell phone or pager with them and leave the number with the Kidstop attendant.**
